GIRL DRAGGED  
BY RUNAWAY

Miss Maud Abbott, of Monterey, Is Thrown Twice and Injured.

Monterey, N. M., March 21.—While out riding Sunday afternoon Miss Maud Abbott was thrown from her horse twice and seriously injured. The first time she was thrown her horse ran into L. O. Wetmore's buggy. She was thrown into the buggy. The horse became frightened and the buggy was overturned and Miss Abbott was considerably injured. Mr. Wetmore escaped without injury, but Mrs. Wetmore had her hip pretty badly hurt. Miss Abbott escaped with a few bruises and scratches. She again mounted her horse and started up the street. The horse got scared at a piece of paper and jumped from under her. Her foot caught in the stirrup and she was dragged considerable distance. Her horse was finally stopped by Miss Maud Bournie who assisted her in getting home.

ANTITOXIN RECOMMENDED  
By Dr. Powell of Elsberry,  
Mo., Mrs. Eastin's Family  
Physician.

Her father, Mr. E. L. Rogers, sick with Consumption six months, had been cured, and her family physician said that she should, by all means, take the same treatment at once, which she did with the result that she wrote the following letter on October 18, 1909, after having taken our Antitoxin twelve weeks:

Reason for myself—would different members of the same family take our Antitoxin unless satisfactory results had been obtained in the first case? Read Mrs. Eastin's letter:

Elsberry, Mo., Oct. 18, 1909.

Wright-Duering Antitoxin Co.,  
St. Louis, Mo.

Dear Doctor—I can cheerfully recommend your Antitoxin treatment to any one who is a sufferer of Tuberculosis as I have been—I was sick about six months—had gone to three physicians—two of them said they could do nothing for me—one gave me medicine, but I got no relief. My father had gone to you and had been cured, and I decided to do likewise. I began taking your treatment February 12th, and from the first began to feel better. When I began to take your Antitoxin I weighed 106 pounds—took the last dose May 14, 1909, and in those twelve weeks had gained fourteen and a half pounds.

Am now able to do all my own work, and feel as well as I ever did. Hoping this letter will help those who are afflicted to a cure, I remain your friend.

Mrs. Zach R. Eastin.

Mrs. Eastin, like all our former patients, is enthusiastic over the results of the cure effected in her case, and wrote the above letter hoping to help some other unfortunate sufferer to a cure.

You who are sick with Consumption, or threatened with it, can not afford to go on doctoring with various medicines long without proven worthlessness. Antitoxin for the cure of Diphtheria—cures! Antitoxin for the cure of Tetanus—cures! Antitoxin for the cure of Rabies—cures! And our Antitoxin for Tuberculosis—cures! But we wish to state emphatically that the Wright-Duering Antitoxin for the cure of Tuberculosis is the only Antitoxin made for the cure of Tuberculosis, and, further, that anyone who claims to use an Antitoxin for its cure makes false claims—as our Antitoxin is the only one made, not only in this country, but in the world, and should not be mistaken for Tuberculin or the Mercury treatment, or any of the other so-called cures that are being held out to the public. Our Antitoxin is a true Serum, manufactured and controlled only by ourselves. It can be procured only here in our office, or at some one of our branch offices, where you will find it presented as the Wright-Duering Antitoxin. Don't delay, but investigate our claims at once, then if you find them satisfactory, come to us.

We have established offices for the Wright-Duering Antitoxin company in El Paso, San Antonio and Dallas, Texas, for the purpose of demonstrating what our Antitoxin treatment for the cure of Tuberculosis will do under the most favorable climatic conditions. The wisdom of the move has already been shown. The results are more apparent, and come in less time than in the less favorable climate. We have under treatment already many cases that are showing most satisfactory improvement, and will result in cures more readily than those effected in the north where all our demonstrating was done before we opened in the southwest.

COURT OPENS AT  
CLOVIS FOR TERM  
Business Is Finished at Por-  
tales—Prohibition Ticket  
in the Field.

Portales, N. M., March 21.—Court has adjourned here and Judge Pope convened court at Clovis today. The principal case of interest was that of Ed. Harwell for murder of C. A. Peck, of Le Lande, resulting in acquittal. Divorce was granted Jessie Palmer versus Edward Palmer. The case of the territory vs. H. J. Horton was dropped with privilege to reinstate; territory vs. S. F. Ford was continued; territory vs. John H. Fort, continued. The case of the territory vs. J. B. Sledge (two years). For trustee—T. M. Laster (one year). For trustee—C. F. Anderson (one year).

The first ticket for town officers for election April 5, is making the race on the platform, "A business administration and upholding the prohibitory law." The ticket in full is:  
For mayor—T. J. Molinari.  
For clerk—Ben Wood.  
For trustee—G. W. Carr (two years).  
For trustee—J. B. Sledge (two years).  
For trustee—T. M. Laster (one year).  
For trustee—C. F. Anderson (one year).

T. M. Laster and Nat Wise are off for an extended trip to old Mexico. Bricklayers are rapidly putting up the walls of the waterworks power plant, and they have also commenced concreting the sewer well in the school district.

Portales High school won the joint debate with the Clovis High school. Frank Waples, of Turner postoffice, and Miss Bertha Hawk were married here by Judge Seay.  
Mr. Mitchell, a concrete worker, while working at the pump pit was quite severely hurt by falling into it, three of his ribs being broken.  
J. A. Poohees, of the Warren-Poohees company, was in Portales to close the contract with W. H. Snell for the erection of the new brick school building for that firm.

A number of Melrose citizens, including Eugene B. Peck, editor of the Melrose Enterprise; C. M. Matheny, S. D. Hamilton, C. A. Browning and J. M. Harris, visited Portales to inspect the results of the irrigation project thus far. They were well pleased and encouraged in their own enterprise, which is also being handled by the Western Construction company.

W. W. Humble, an old Portales resident, has located on four sections of school land, bought from the state last June.

ROSSELL MASONRY HAVE A  
NEW TEMPLE: ROSSELL NOTES.  
Roswell, N. M., March 21.—The Easter service of the Knights Templar on the afternoon of Easter Sunday will be the first meeting in the new Masonic temple.

Loose hay, too green to burn easily, found in the huge woodpile in the rear of the Star bakery, after the fire department put out a fire in it, makes it pretty certain that the blaze was of incendiary origin.

S. E. Allison, who bought the old postoffice corner, 50 by 198 feet, from the Joyce-Fruit company, has been here several days with G. A. Frost, an El Paso architect, preparing to have plans drawn for the large building he is going to erect. It will be two stories and a basement.

PAY FOR CENSUS MEN.  
Santa Fe, N. M., March 21.—Census supervisor Paul A. F. Walter was notified by the census bureau that 234 out of the 294 enumeration districts of the territory are to be allowed the highest rate of compensation for enumerators—\$6 a day—on account of the prevalence of two languages and the big distances to be covered.

CARRIZO MAN  
BURNED AT FIRE

Tailor Attempts to Extinguish Fire—Ball Team Is Organized.

Carrizozo, N. M., March 21.—Fire broke out in the tailor shop belonging to Fred Smith. The fire department responded promptly and soon extinguished the flames. C. Reeder, a tailor in the shop, had both hands terribly burned trying to put out the fire, which was caused by a gasoline stove exploding. The rear of the store was completely gutted by the fire and several suits of clothes were burned. The chemicals from the chemical engine slightly damaged the adjoining barber shop.

A brother of Freeman Dingwall has arrived here from Comanche, Texas, and will play an infield position on the baseball team.

The following officers have been elected by the Baseball association: Dr. E. B. Walker, president; H. B. Dawson, secretary, and Waiman Jones, manager and coach.

Walter Boehme is setting out 500 fruit trees on his ranch east of town. F. U. Nelson is here from Corona. The Masons held a special meeting at which a number of out of town members were present.

Fireman G. M. Nelson has been transferred from El Paso to Carrizozo.

F. C. Noesselt, who until recently was chief dispatcher here, has moved with his family to San Antonio, Tex.

Engineer A. F. Blount, who was recently transferred to this point from El Paso, will move his family here in a few days.

Engineer C. C. Benson is in Tucuman for a few days.

Mrs. Harry Chant, wife of car repairer Chant, will leave in a few days for an extended visit to Dallas, Tex.

Engineer Croft and fireman Gunn are laying off for a few days.

Fireman Sampson, who has been working out of El Paso, is now at Carrizozo on the night switch engine.

Fireman M. L. Hull is running the switch engine during the absence of regular switch engineer A. C. Helms.

F. W. Guernsey, manager of the Carrizozo electric house, is visiting his family in El Paso.

W. C. McDonald has returned from the engineers' convention at Fort Worth.

John Bowman was a visitor here from Alamo.

Wm. F. A. Gierke is here from Lincoln.

Engineers John Utery and Jimmy McGowan have returned from a four months leave of absence to points in South Africa.

Fireman G. E. Crawford has been transferred from El Paso to this point and is assigned to service between here and Duran.

Conductor Tiffany, engineer Utery, brakemen McGraw and Butler and fireman Dingwall have been assigned to the new local run between here and Duran.

Mrs. C. S. Jones, wife of engineer Jones, is visiting in Tucuman.

Carmen Cabander and West have returned from Temporal.

HIGH SCHOOL  
WINS DEBATE

Roswell Orders the Walks  
Widened From 10 to 16  
Feet on Main Street.

Roswell, N. M., March 21.—In the second debate of the question "Resolved that it is to the best interests of the United States to build and maintain a larger navy," between C. D. Bonney, Dillard Wyatt, and Willis Anderson, of the Roswell high school, and cadets Murray, Blodgett and Coulson of the Mexico Military Institute, the judges, W. C. Reid, J. M. Hervey and Albert Henry, decided in favor of the high school.

R. L. Miller, proprietor of the new three-story reinforced concrete hotel Miller, has ordered \$12,000 worth of furniture for the new house.

W. W. Gatewood and son-in-law R. Graves did not like the actions of a man they saw loitering about their residence and had him arrested. Although he insisted that he was merely waiting for a woman who works in that neighborhood, the fact that he had a revolver on his person, was sufficient to cause Justice Wheeler to fine him \$50 and costs.

The city council has ordered property owners on both sides of Main street from Walnut to Fifth, a distance of five blocks, to widen the 10 foot sidewalk to 16 feet. Main street is 100 feet wide and this will leave the roadway 8 feet wide.

Concrete block manufacturers should write our home office concerning prices, etc. Several inquiries made for building material by customers who will build at Lobo, Texas.

Old King Coffee knocks subjects out tolerably flat at times, and there is no possible doubt of what did it. A Michigan woman gives her experience:

"I used to have liver trouble nearly all of the time and took medicine which relieved me only for a little while. Then every once in a while I would be suddenly doubled up with an awful agony in my stomach. It seemed as though every time I took a breath I would die. No one could suffer any more and live."

"Finally I got down so sick with catarrh of the stomach that I could not turn over in bed, and my stomach did not digest milk. The doctor finally told me that if I did not give up drinking coffee I would surely die, but I felt I could not give it up."

"However, Husband brought home a package of Postum and it was made strictly according to directions. It was the only thing that would stay on my stomach, and I soon got so I liked it very much."

"Gradually I began to get better, and week by week gained in strength and health. Now I am in perfect condition, and I am convinced that the whole cause of my trouble was coffee drinking and my getting better was due to leaving off coffee and taking Postum."

"A short time ago I tasted some coffee and found, to my astonishment, that I did not care anything about it. I never have to take medicine any more. I hope you will use this letter for the benefit of those suffering from the poisonous effects of coffee."
